A note from the editor of The Beacon

There are many stars in the firmament. Some of these are of greater magnitude, and some of them are of lesser magnitude. Some shine more brightly at one time of the year than at another. Some tend to group themselves and form constellation, such as the Dipper and Orion's Belt.

And so it is with the stars at Cleveland. There are many whose magnitude is as great as those included on the following pages. We wish we could include even the Milky Way, but the limits of our sky will not permit.

Some of our stars shine more brightly at one time of the year than at another, such as our football, track, and basketball stars. Some shed their brilliance throughout the entire year, such as our academic stars. Some tend to group themselves in constellations, such as The Beacon, and Orange and Blue.

If you are perplexed about our galaxy of stars, we ask you to say:

"Twinkle, twinkle, little star,
How I wonder what you are!"

"Rose Marie"

A most excellent presentation of the musical drama, "Rose Marie," was given to a large and enthusiastic audience in the Cleveland High School auditorium on the nights of November 19 and 20.

A large array of talent, and good scenery made this show a big success, with Shirley Gatzert and Karl Heinemann taking the honors as the stars of the show. Shirley sang beautifully and completely won over the audience with her poise and acting ability. Karl was enthusiastically received with his superior rendition of the many hits songs featured in the show, and his natural acting.

"Rose Marie" is a tale of excitement and romance, set in the wilds of Canada, involving Jim Kenyon and Rose Marie, about whom the love story revolves. Jim is falsely accused by Wanda, an Indian girl, of killing her husband, Black Eagle. Rose Marie, believing this to be true, refuses to marry Jim, but agrees to marry Hawley, a friend of her brother, who was involved in the killing of Black Eagle. Jim and Rose Marie meet later, but she repulses him, although still in love with him. Finally, at the wedding ceremony of Rose Marie and Hawley, Wanda bursts forth with the truth, and Rose Marie and Jim are happily reunited.

Excellent acting was displayed throughout the show. Bob Kranze and Joann Gunn, as Hard-Boiled Herman and Lady Jane, provided the lighter side of the story with their marital mix-ups, and Norma Beck and Bill Sandidge as Wanda and Hawley, lent melodrama to various scenes. Jay Willoughby rated generous applause with his portrayal of Sergeant Malone of the Royal Mounties.

The well-known and well-loved songs by Oscar Hammerstein II, including "Indian Love Call," "Rose Marie," and "Totem Tom Tom," highlighted the show. The choral singing of one hundred and sixty-five well-trained voices provided a delightful background for the solos and, together with the clever dance routines, rounded out a successful and enlightening operetta.

Others in the cast included Roy Busch as Black Eagle, Tom Fernandez as Emile, Rose Marie's brother, Donna Hampel as Ethel, and Edgar Hartmann as the Half Breed.

Of course, a word of praise and thanks must go to Miss Louise Mann, production manager and director of vocal music, Mr. Vernon Barrett, who so ably directed the orchestra, and Miss Margaret Boland, assistant production manager and dialogue director.

The stage settings, which set the mood for the different scenes of the show, were created by Miss Florence Knepper and her Stagecrafters.

Miss Katherine Hucke was responsible for the make-up, Miss Mary Inez Mann for the costumes, and Miss Vera Ulbricht for the beautiful and inspiring dances.

Also deserving recognition for work without which no operetta could succeed, are Mr. Harold M. Doxsee for lighting and sound, the student assistants, and the various publicity departments, who all contributed greatly to the success of a superior Cleveland operetta.

Rainbow Rhythm

Cleveland's Music, Art, Dancing and Dramatics departments produced an outstanding variety show last spring on April 24 and 25, 1947, entitled "Rainbow Rhythm." The show was a tremendous success, packed full of color, beauty, humor and talent.

The first scene had a beautiful background of an exquisite rainbow and the Novelty Orchestra and dancing chorus all joined in singing Rainbow Rhythm, the song written especially for the show by Mr. Barrett and arranged by Mary Lou Kohl and Richard Meyers. Also included in the first scene were two songs in Jolson style by Bill Haupt as Black Face. An early highlight in the show was the blues scene, in which Norma Waite, a new sensation, sang several numbers, with blue lights playing across the stage. One of the outstanding scenes was the one illustrating The Old Lamplighter, sang by Jay Willoughby, followed by three dancers, Doris Joedicke, Jeanne Bierach, and Delores Schatz enacting the story of a song in pantomime.

Immediately following was the Orange Blossoms scene featuring Alma Berger and Ernie Telthorst in a singing duet, and a rhythmic dance of great skill, the ending number, was a waltz number portrayed by eight couples and concluding with a duet by Bob Shannon and Cora Richardson. Two skits were featured in the show. The first was a melodrama entitled "The Fatal Necklace," in which Gloria Stephens showed clever acting and kept the audience in stitches. Gloria was supported by Louise Lindecker, Ruthellen Grupe, Rich Breidert, and Bob Kranze.

The second skit, "Spreading the News," formed part of the Irish scene entitled "Wearin' of the Green." An Irish jig, an Irish solo, "How Are Things in Glocca Morra," Jean Luehrmann, Tom Donovan and the choirette giving an entertaining rendition of the Irish favorite, "Cockles and Mussels."

Another scene, R. E. D., was a take-off on an extravagant radio advertising. Norma Aubuchon gave a delightful baton display, Joy Abbatiello and LaVerne Hoppe gave a piano performance, Jeanne Hubbard imitating Ersel Twing, and Fern and Glen Storm displaying an outstanding dance on roller skates, completed a talent-filled scene.

Shirley Gatzert gave an excellent impersonation of Hildegard in the scene entitled "Cafe Indigo." During the scene she invited Joanne Gunn to sing the "Fireman's Bride," which was extremely funny. Shirley herself sang "Tonight the Moon and Stars Will Be Ours," and a duet with Karl Heinemann, "With All My Heart."

The Novelty Orchestra, under the direction of student leader Rich Meyers, and the Concert Band were on the stage in full view during "R. E. D." and "Cafe Indigo," and the audience really appreciated the chance to see them perform.

The show concluded with the band playing "Deep Purple," and the choirs sang "Tone Tints," followed by the dancers who danced to "Chasin' Rainbows," and the show came to a happy end in a colorful, musical finale.

Football Queen

MISS BETTY BORNEMANN
FOOTBALL QUEEN 1947

The Coronation

*B*EFORE an eager and happy audience the curtains opened upon the scene for the 1947 Coronation. The setting was an original and colorful theme based on playing cards. Mr. Kelley welcomed the friends and alumni in the audience, after which the program was turned over to the president of the Nu-Senior class and master of ceremonies for the evening, Bob Zahnweh.

Bob introduced the captain of the football team and king for the night, Vernon Grosse. As Vernon took his position upon the throne each player of the football team was introduced. The boys each paraded across the floor in full football uniform.

As the football team stood at attention, the retiring football queen, Myrleen Golfinopoulus, made her graceful way down the center aisle to take her place on the throne. Myrleen's dress was of pale blue marquisette. She carried red roses. Her escort was Floyd Murray.

The King then commanded the entrance of the maids for the new court. The first of the junior maids to advance to the throne was Phyllis Meyers, Term One, who looked lovely in an aqua gown trimmed with black bows in the back and ruffles around the neck. Her escort was Glen Rigsby. Term Two's maid, Nancy Riekenberg, escorted by Bill Franz, came forward in a stunning mellow gold taffeta gown. The skirt was on a wide hoop. Sweet looking Gloria Vaughn gowned in peach satin and marquissette trimmed with sparkling sequins, advanced next on the arm of Ronald Hertel. The maid for Term Four, Georgia Spindler, appeared next with her escort, Robert Stewart. Georgia looked very pretty in a turquoise brocade dress. Helen Emme in a stunning blue velveteen dress was next to be introduced into the court for Term Five. She was escorted by Robert Bess. The last of the junior maids, Marie Schleifer, Term Six, made her graceful way to the throne. Marie looked charming in a pale green net formal trimmed with dainty black lace. Her escort was Dan Sawers.

Now the excitement increased at the approach of the senior maids, for one of these five had been chosen as queen and every effort had been made to keep her identity a secret. LaVerne Anderson, escorted by Tommy Fernandez, was first. She looked exotic in a gown of white net with bouffant skirt, and shimmery bodice. The next maid to enter the court was Jean Webb, petite and charming in a white and silver off-the-shoulder creation. Clarence Bauer was her escort. Elaine Christel, all smiles, entered the court next, escorted by Bill Haupt. Elaine's gown was a ravishing white faille with boat neck and wide hoop skirt. The tenth maid to bow before the royal court was LaVerne Hoppe. Her escort, Karl Heinemann. LaVerne wore a gown of pale blue satin with a bodice of sparkling sequins.

And now the moment of anticipation had arrived and the 1947-48 football queen, Betty Bornemann, was greeted by the audience with thunderous applause. Graceful and stunning in her royal white velvet gown, Betty was escorted to the throne by Mel Bozdeck. The entire auditorium became silent as King Grosse placed the sparkling crown on happy Betty's shiny brown hair. As she took her place on the throne, Betty looked a picture of beauty and grace worthy of being a queen. Her crown bearer was Shirley Kessel and the train bearers were Shirley Ann Spradling and Betty Plaze.

Now the court entertainers were summoned to give a program for the new queen. The acts included court jester Frank Feigl, the Queen's Men, Dancing Chorus, Choirettes who sang "Peg O' My Heart," Louise Hahn in a sophisticated toe dance, Jean Bierach in an acrobatic number and a duet by Karl Heinemann and Shirley Gatzert. Coach Meinhardt then gave a speech about our fine Cleveland Team. The program was brought to an end as Mr. Schunemann led the audience in songs and cheers.

The aim of our staff this year has been to make The Beacon a book of greater interest to every student. Therefore, the topic of The Beacon, like that of last year's, is about the students of Cleveland High. We have chosen the theme, "Cleveland Stardust," as the topic of The Beacon. In this section we have taken a few of the outstanding students from the different departments of the school and placed their pictures in the Stardust section. We think The Beacon will be enjoyed by the students, not only this year, but in the years after graduation when they can look back and remember the old red school house and a few of the stars of the school, during their stay.

The art staff has done an excellent job. The division pages are some of the best designs Cleveland has ever had.

The sport section also has been given greater emphasis because of the Cleveland championship teams. These are but a few of the attractions of The Beacon which, we think, have helped to make it a better yearbook.

The elected officers of the 1948 Beacon are: Richard Burr, Editor; Dolores Goyda, Associate Editor; Bob Crain and Roger Chastonay, Business Managers.

"HOLD THE PRESSES!"

"FLASH! IT HAS JUST BEEN DISCOVERED ———"

"SCOOP! WHERE'S A TYPEWRITER?"

With the noises and shouts of clacking typewriters and excited voices, respectively, we introduce you to the Orange and Blue Class. These kids, amid the rush and noise that usually accompany getting a paper to press, accomplish most of the hard work that brings our printed page to you every other Wednesday.

Under the editorial sponsorship of Miss Edith M. Waddock, who copyreads, keeps order as much as possible among the ink bottles and clipping of scissors, and generally directs the staff, the Orange and Blue manages to meet the deadline. The business end of the paper is in the capable hands of Miss Hazel Kellogg, who is kept busy over the financial matters.

The student body elected Ronald Hertel to serve as editor for 1947-48. Jeannette Kluge, co-editor, Janet Mayer and Marion Sanders, associate editors. Don Schuchardt is business manager.

Choral Music

Many meanings are found in the title CHORAL MUSIC. To some it means being a part of a large chorus of enthusiastic singers, to others it might be a reminder of all the friends gained while taking part in that chorus, and to others it brings back recollections of a heart-warming program, maybe at Christmas or Easter when that large chorus blended its voices in song so beautifully. CHORAL MUSIC in Cleveland High School means all these things and more. There are all together five large choirs in Cleveland in which students have a chance to sing for enjoyment as well as to bring happiness to others by offering prepared programs at different times during the year.

There has always been a Junior Choir at Cleveland and this year because of the great desire of a large number of younger students for choral singing, a second choir was started. In both of these choirs, young singers are taught the basic principles of choral singing. If they are interested in advanced work, this class helps prepare them for membership in either of the Senior Choirs. It is also a class in which students who wish to sing just for pure enjoyment may belong since many of the public performances are not required.

The two large Senior Choirs are composed of students who have had some experience in choral singing, preferably in one of the Junior Choirs. It is a class for students who are interested in taking part in programs since some performances are required. After students have been in either of the Senior Choirs they are eligible for membership in the A Cappella Choir.

The robed A Cappella Choir is composed of experienced choral singers of Cleveland. The choir meets every morning at 8:10 a. m. under the able direction of the choral music instructor, Miss Louise Mann. Selection of students for membership in the choir is made by Miss Mann. Citizenship, possibility of development which would contribute to the choir, and individual talent influence the selection. It is certainly a privilege to belong to the robed choir and those fortunate enough to be chosen prove their appreciation by showing an unsurpassing loyalty to the choir, to Miss Mann, and especially to the main purpose of the choir which has helped the choir to gain a most admirable reputation throughout the city. That main purpose is to further the relationship between the school and the community.

To make people happy is certainly a wonderful thing to accomplish and the A Cappella Choir has done so at many occasions. In auditorium sessions at the school the choir has at many times sung from the stage or the balcony. When singing from the balcony, the sound of beautiful music coming from great heights has instilled lasting impressions in the favorite memories of all Cleveland students.

There are several traditional programs given by the choir each year. The priceless experiences gained in these programs are a valuable aid in preparing students for later life. At Christmas time, the choir offers many programs to the community which contribute in extending the beautiful Christmas spirit to all. The traditional Christmas and Easter program for the students of Cleveland have instilled a religious spirit in the heart of everyone present.

An operetta presented in the fall of every year has come to be a tradition of the music department. Members of the choir offer their talent generously both as soloists and chorus members. The training and experience offered in these musical shows are valuable to those taking part. Proceeds from the show are contributed to the school fund to be used to aid the school in some way.

This valuable training of taking part in programs, sight-reading in class and learning to follow musical instructions has helped many students to prepare for their future life's work.

The programs presented by the choirs have brought happiness to many and receiving this compensation, knowing that their efforts have given enjoyment to others has in turn brought enjoyment to the members of the CHORAL MUSIC DEPARTMENT.

Instrumental Music

Through the day, Room 27 resounds with the blare of the trumpets, the voice of the woodwinds, the silken quality of the strings and the deep "oom-pah" of the basses. Instrumental Music in all its glory finds its expression in many different organizations.

Beginning instrumentalists are taught the rudiments of playing individual band and orchestral instruments. More advanced musicians find enjoyment in expressing their musical abilities in the Intermediate Band and the Second Band. The more mature and more advanced pupils give vent to their artistic temperments in Orchestra and Concert Band where music of the masters is studied. The Orchestra and Concert Band make many public appearances during the school year including special concerts, football games, graduation exercises, operettas and parades.

An exceedingly active instrumental group is the Novelty Orchestra which plays for school dances and special parties. The Novelty Orchestra meets for rehearsal each Friday after school, and membership in this organization is on a competitive basis.

Row 3: David Dealy, Larry Bulus, Jerome Burgherr.

It has been said and well said, we think, that it is better for a father to take his son fishing than to have to go looking for him. With this idea in mind, we have endeavored to form a club which would be both beneficial and interesting to the students of Cleveland High School. We believe we have accomplished this in the Cleveland Angling and Casting Club. Angling is a sport of sports. No other sport brings one closer to nature, affords a more enjoyable pastime, or promotes better sportsmanship.

To those students who love the great out-doors, where nature remains unaltered by man, where the seasons most beautiful landscapes may be viewed; the great out-doors, which brings God nearer to man and which teaches goodfellowship, we offer membership in our club.

Our members participate in various activities such as fly tying and casting. We have many interesting programs which consist of talks given by prominent local anglers and excellent moving pictures.

We invite new members and visitors to come to Room 212 any Friday at 3:10. Come, enjoy our meeting and share our yarns about the big ones that got away or those that didn't. But remember, "You don't have to take part in a sport to be a good one."

 Row 4: Mr. Doxsee.

Our club, Anna Howard Shaw, was named after a great speaker and noted performer. It was originally organized as a girls' debating society, but through the years it has become more a dramatic and social club. Our meetings twice a month with the Webster-Hayne Club, however, keep up the tradition of the debating society. Highlights of our club-year are the Mother-Daughter Tea, the Webster-Hayne party, and initiation. These events are all looked forward to by the members. Of course, the success of all our activities depends largely upon our willing and able sponsor, Miss Helmich, working with the officers and other members.

Webster-Hayne, Cleveland's oldest club, is an organization in which boys of all terms learn to improve themselves as public speakers and to enjoy themselves while doing so. Through prepared and impromptu talks Webster-Hayners learn how to influence others, how to make their thinking and their personalities effective in dealing with others. Comments at the close of each meeting by Mr. H. M. Doxsee, club sponsor, add to the value of the organization in developing able speakers. During the past year occasional joint meetings with Anna Howard Shaw have contributed much to the interest in programs. The term party for Webster-Hayne, Anna Howard Shaw, with its speeches, its original skits, its music and dancing, and its refreshments, is always looked upon as the highlight of the club's activities.

- Row 4: Mr. Briggson, James Gavin, Neil Fiala, Lyle Sendlein, Richard Alfeld, Don Posken, Paul Smith.

The Audio-Visual Club was organized in January, 1946, although previous to that time a small group of boys had been active in audio-visual work.

At present thirty boys constitute the membership of the club. The work of operating sound film, slide, and opaque projectors and the radio is the responsibility of the members of this club. In addition, certain members are assigned work with the public address system and spot lights in the auditorium.

As audio-visual work has expanded at Cleveland, the members of the club have shown their willingness and ability to meet the increasing demands for their services in room 113, the auditorium, and other rooms.

Favorable comments on the part of many teachers show that the careful and courteous service given by the boys is appreciated.

Any boy interested in the club may apply for membership after having received approval of his advisor. After a period of training and after passing a test, he will be admitted to full membership in the organization, presented with the club pin, and assigned duties.

Cle Cuks is one of the oldest clubs in the school, having been formed in 1920. Miss Richeson, the sponsor, tells us that the name Cle cuks was derived from "Cleveland Cooks" by the charter members. The membership is limited to eighteen girls who are in the Fourth Term or above. This limitation was placed on the membership because it is necessary that there is not too large a number to serve. A list of eligible girls are nominated and voted on by the members, so as to have a congenial group to work with at all times. It is traditional that the new members at their first meeting for their initiation give some entertainment to the members and wash the dishes after the meal is over. After the term has begun Cle Cuks meets every other Thursday in Room 10 at 3:15. During the day the girls who are hostesses come in Room 10 during their study period to prepare the food so it will be ready to serve at 3:15.

This term some of the appetizing dishes prepared were: Pigs in the blankets, jello salad, and for Halloween toasted cheese sandwiches that resembled Jack O' Lantern faces. Hot cocoa and tea are popular beverages.

The girls always have a good time cooking and working together. In doing this they prepare themselves as future homemakers, and also have a lot of fun. After all, girls, the way to a man's heart is through his stomach.

For those who are interested in going to college, the College Club is a wonderful opportunity to get information about the different schools.

During our regular meetings, our research committee gives reports on the requirements, tuition, and the like, of the various colleges, the members are interested in. Sometimes we have guest speakers, who give their point of view on "My Choice of a College," or "What College Did for Me," or other subjects along this line. We try to have speakers from outside of school. People in business or social work speak to us, also.

Scholarships and scholarship exams are also reviewed at our meetings. Many unusual things come up. For instance, did you know that if you have an ancestor who fought in the Civil War (on the North's side) and was honorably discharged, you are eligible to try for a scholarship from Washington University? This is but a sample of the useful information acquired in the college club.

We all enjoy the meetings immensely. Once every semester we visit a neighboring college, which is always a looked-forward-to event. Not only the club members, but all Cleveland students who are college minded, are invited to take this tour.

All those who intend to further their education by going to college, are cordially invited to attend our meetings under the sponsorship of Miss Fisse.

Row 2: Jack Mulligan, Glenn Backer, Charles Stovall, Miss Westphaelinger, Frank Bauer, Ray Schubert, Ed Rosenhauer.

The purpose of the German Club is to further the interest in the study of the German language.

The members of the club enjoy many different kinds of entertainment. They sing songs, read stories, poems, and present plays. Usually the climax of the club's programs during the year is a song-fest during the Yuletide season.

Sometimes they review their German lessons or have the club advisor, Miss Westphaelinger, to help them master the more complicated grammatical constructions. Frequently, the members of the club perform on their musical instruments. They often translate some of the interesting Deutsche Briefe which some of the students received from relatives in Germany. Most of these express appreciation for food, clothing and supplies, sent to them by friends.

All boys and girls who are taking or have taken German are invited to attend the meetings which are held on the even Thursdays in Room 115. Come and enjoy yourself. We are looking forward to your attendance next term.

If you have any desire to become a teacher, why not teach a language, as language teachers are in great demand at present. In most any field of activity a person who can speak a foreign language fluently has a better opportunity for a successful future and for world service in his efforts to help to establish world peace.

Los Pan Americanos

Row 1: Carla Sadlo, Pat Dickerhoff, Janie Barnett, Carol Aitken, Dolores Hegger, Catherine Martin, Audrey Mayer.
Row 2: Richard Lloyd, John Hogue, Charles Frye, Eugene Taul, Paul Foraker, Miss Jansson.

"Los Pan Americanos," better known as "The Spanish Club," meets every Tuesday morning in Room 2, under the direction of Miss Jansson. "Los Pan Americanos" is a most interesting and helpful club, where the Spanish students of Cleveland High get together to have fun and to learn more about the Spanish language and the people who speak this language.

The correct translation of "Los Pan Americanos" is "The Pan Americans," therefore the main interest of "The Spanish Club" is to learn about our Latin American neighbors. We want to learn more about these people "south of the border" whose friendship to us is of utmost importance in making this part of the world peaceful. In the Spanish Club we are trying to learn as much as possible about these people, their everyday lives, customs, clothes, and of course their language.

One way we have of learning their customs is celebrating their holidays with as many of their festivities as possible. Their Christmas starts on December 24 and lasts until the 6th of January. On the latter date the "Spanish Club" gives their interpretation of a Christmas Party in any Pan American country.

In the club meeting we play games and sing songs. Some of these songs and games are the same as we have in English. We play games such as "ghost, hangman, and buzz," and sing some of the familiar rounds of songs such as "Are You Sleeping?" and "Oh, Where, Oh, Where Has My Little Dog Gone?" At Christmas we learn our old English Carols in Spanish. We sometimes listen to Spanish records to help us with our vocabulary and diction.

 Row 3: Miss Mann, Audrey Sparlin, Delores Pieper, Marlene Moss, Shirley Weisel, Marlene Wiesner.

The name of "Goodfellowship" explains the purpose of this club. All girls belonging try to be "Goodfellow" and to help their fellow man.

Every Halloween, Christmas and Easter, parties are given for children in day nurseries or in orphan homes. At these parties the children are given refreshments and a small gift.

In the spring of every year the girls always make it a point to give a Mothers' Day Tea for their mothers.

At the last Christmas party every child received a small doll that the girls made, and a stocking filled with candy, an orange, and cookies.

To see the happy and contented look on the faces of these children is enough of a reward for the girls. They find that the old saying, "It is more pleasant to give than to receive," is really true.

After a very successful season last year in which the team finished in second place in the Greater St. Louis Junior Rifle League, in second place in William R. Hearst Trophy Match, Fifth Army Area, in tenth place in nation, in first place in N. R. A. Sectional Meet, in ninth place nationally, in first place at Quincy (Illinois) Invitational Meet, and in second place in Washington University Invitational Team Event, the rifle team finds itself in the unenviable position this year of having an ambitious schedule and only one returning veteran. Tryouts are being held weekly to supplement the team. A new postal N. R. A. contest was entered, and our hopes are high.

Of the six members of last year's team, three are now in school and three are in college. Reynolds Knorr had a high average in league competition; and winner of the gold medal at Quincy (Illinois) Invitational Meet, with 189 out of a possible 200. He is now attending Washington University. Louis Bosso became a Distinguished Rifleman, and had a high league average. He is now attending Rolla School of Mines. Dan Goetz also became a Distinguished Rifleman. He is attending Missouri University. Jack Stokely and Charles Krieger are now Seniors and will not be able to compete in league competition this year, as the Junior Rifle League will not start until February. Leroy Atchison, Term Seven, is a Distinguished Rifleman and has a high league average.

If you happen to be walking through the back hall near Room 33 on Thursday you may hear the sound of shots echoing about you. Don't duck or run; just drop in and see some of the girls who are shooting. Some of them have been with the Sharpshooters for a long time. Others are new members or "Nu-gang" as we call them, during the preliminary training period of their first semester.

These girls know that target shooting is a great sport, and that some form of it is among the oldest past-time recreations in existence. Shooting and knowing how to handle a gun safely is useful knowledge which everybody would do well to acquire.

Most of the girls agree with this. They train hard and stay with it so they can take part in the National Rifle Association matches which are held yearly at Washington University. Last spring, the Sharpshooters took part in a match against the Quincy, Illinois, girls at Quincy, and in a return match at the C. B. C. Rifle Range. Those were rifle matches to remember. The Quincy girls have challenged us again, and we are anxious for the competition.

The Sharpshooters have gone to Kemper Military Academy, at Booneville, Missouri, for an annual match for some twelve years until they were cancelled for the duration of the war. We have been notified that the Kemper match will be held this spring. The girls of the Club are very eager to develop a good team, so we can be represented again.

Opportunities for travel, a chance to meet girls interested in the same sport, and the medals that may be earned offer incentives for hard work. So, if you would like to join us, come to Room 33 some Thursday, brace yourself for the noise, and watch for the fine scores.

Saluete! That is the way Latin students greet one another every Thursday morning at 8:15 in room 223; provided, of course, they are wide enough awake at that early hour to remember this Latin word, which means "good morning!" This group is known as the Salutatio Club. At its meetings, phases of Roman life, which are not related in text books, are discussed. The Latin students find it very interesting to compare the lives of the Roman people with that of ours; to learn how they dressed, and to learn about their customs, and something of their social and political life. Other things which are studied in the club are the Roman wars, along with some of the great personages of the time; men like Caesar, Cicero and Virgil. But Salutatio is not all work, several parties a year are planned. One of the things which all older students enjoy is the initiation speech which each new member must make in Latin. As in other foreign language clubs, the titles of the various officers in Salutatio are in Latin. The duty of each officer is suggested by the meaning of the Latin titles, just as the aedile of Ancient Rome planned all the expensive public games and spectacles, so our aedile plans all of our programs and parties; and like the scriba, who in ancient Rome was a public writer, the scriba in Salutatio keeps the minutes each meeting. With this valuable Roman background which we acquire through Salutatio our daily study of the Latin language is made much more interesting and enjoyable, and we invite any Latin student who desires this extra learning to come and be a part of our Club.

"Look out! Don't walk in the direction of that target."

"Why?"

"The girls of Toxopholite are TRYING to hit the target."

"But we're a block away. They can't hit us."

"That's what you think."

You are now probably convinced that your life is in jeopardy if you walk anywhere near the huge target that stands on the field next to the fence on Osceola Avenue on Wednesday nights after school. Don't be alarmed! Most of the members of Toxopholite are very excellent archers. Mary Ann Kaufmann is no longer an amateur archer. She has attained those scores which automatically remove her from the status of an amateur. As yet none of the other members have achieved this goal.

When weather does not permit shooting, you will find "Tox" inside, busy repairing bows and arrows or practicing in Room 114.

The sponsor, a new teacher at Cleveland, is Miss Hoffman.

The club is open to membership to any girl in Terms One through Six. The purpose of the club is to encourage good sportsmanship, to develop skill, and to have a good time. Scores are kept and posted on the bulletin board.

CLEVELAND - McBRIDE

Saturday, September 13, 1947, Cleveland High School opened its 1947 football season successfully, by defeating the McBride Colonaders 22-7. Richard Ortmann, Cleveland's quarterback, was instrumental in setting up all three touchdowns for Cleveland, Ortmann scoring one, and Bill Cornelli and Joe Haenchen the others.

CLEVELAND - BELLEVILLE

In the second game of the season, Cleveland was trailing 6-0 at the end of the half, but the "Dutchmen came through" with three touchdowns to win the game. Bill Cornelli, Cleveland's star half back, with fine blocking, ran for two touchdowns. Joe Haenchen scored the other touchdown. Cornelli's touchdowns were both on long runs of 40 yards or more.

CLEVELAND - McKINLEY

The Cleveland football team opened up the 1947 Public League schedule by defeating the defending district champion, McKinley High, 20-12. The game was very close, and Cleveland played the underdog until the final minutes. Ortmann, intercepting a pass, ran for a touchdown sewing up the game for Cleveland. Howard Lincks converted the extra points.

CLEVELAND - KENTUCKY

Cleveland hit the road for this game, traveling by bus to Kentucky, to play Manual Du Pont High School of Louisville. It was a very fine trip for the team, especially because the "Dutchmen" defeated Du Pont 34-14. Cornelli again starred for Cleveland by scoring three touchdowns. Augie Keller and Rich Ortmann scored the other touchdowns, with Lincks converting.

CLEVELAND - ROOSEVELT

Cleveland, now a high favorite, met and defeated the Roosevelt Rough Riders, Cleveland's traditional rival. Both Cornelli and Ortmann again led Cleveland to victory.

CLEVELAND - SOLDAN

The Cleveland eleven, playing on a very muddy field, was held scoreless for three quarters by a stubborn Soldan team. With the game in a scoreless tie, and a few minutes left to play, Don LaPlante caught a Cleveland pass in the end zone for the only score of the game; Cleveland 6, Soldan 0.

Football

CLEVELAND - CENTRAL

Today, the first string got a rest, playing but two full quarters. After running up the score in the first half, the regulars, playing one of their better games, were relieved by the subs, who also did a fine job. Cleveland 39, Central 0.

CLEVELAND - SOUTHWEST

Cleveland trounced a fighting Southwest team on a muddy field 27-0. By beating Southwest, Cleveland ran its string of victories to eight victories without a defeat. Bill Barhorst and Bill Cornelli played a fine game, as did the whole team.

CLEVELAND - BEAUMONT

The game of the season as far as Cleveland was concerned, was the Beaumont game, for it decided the Public High Championship. Playing before a large crowd, Cleveland trailed 13-0 for three quarters. Then, late in the fourth quarter, behind good blocking, Cornelli ran over one touchdown and then caught Ortmann's pass for another touchdown. Howard Lincks converted one extra point, but the winning point was blocked. So Cleveland, well satisfied, won the Championship from Beaumont with a 13-13 tie.

CLEVELAND - ST. LOUIS UNIVERSITY HIGH

Cleveland, playing in the annual Accident Benefit game at the Public Schools Stadium, chose the Junior Billikens as their opponents. Both teams had fine records, Cleveland with eight wins and one tie; St. Louis with eight wins and one defeat. St. Louis, playing one of its better games, defeated the hard-fighting Cleveland team 19-7, for Cleveland's first and only defeat of the season.

As you probably know, Cleveland had a champion Varsity Football Team. Did you know that Cleveland also had a champion "B" Team undefeated, and only scored upon once. In the first game the Dutchmen defeated McKinley 14-0. They next rode the Roosevelt Rough Riders to a 6-0 victory. On November 6, Soldan invited Cleveland to a contest at the Public Schools Stadium at 3:00. The boys had a field day, walking over Soldan 39-0. The next team was the Central Red Wings. The Dutchmen clipped their wings with a 21-0 victory. The fellows were a little disappointed in the Southwest game when a pass got by them for a touchdown. But the Cleveland squad made up for that and three more for a 25-6 decision over the Longhorns. Next was the big game, the game we had waited for with Beaumont. We played at Beaumont High. The Dutchmen were a little worried, but not for long, as three touchdowns and a kick won for us, 19 points to their none. In the locker room that evening were thirty-five smiling faces. Although we didn't win a cup, a job well done is reward enough.

The first string line was composed of Gerdeman, Carosella, Weber, Lang, Lindquist, Granda and Jacobs. In the backfield were Krispin, Craig, Hessler and Allen. Chief Substitutes were McMullin and B. Brown. Place kicks were made by Don Wuest. The kick-off was Weber's job. The team averaged $20 \frac{2}{3}$ points per game. Coach Ballin did a great job of coaching to bring us a champion "B" Team. He often said, "the fellows had the habit of winning. Let's hope it goes with them up thru varsity."

Basketball "B"

Row 2: Charles Wensel, Jack Lux, Ronald Danback, Robert Rubin, Neil Fiala.

Row 3: Allan Machmer, Rich Perry, Lawrence Baricevic, Robert Chibnall, Leo Carosella, Mr. Meinhardt.

The purpose of a "B" team is to give the lower term boys of the school a chance to learn the fundamentals of the great sport. Coach Meinhardt is trying to teach these boys everything that he knows in the way of fundamentals. After a year or two of learning the odds and ends of basketball, if a boy is good enough, he may then earn himself a position on the varsity squad.

The record of this year's team goes to show what a well instructed team of inexperienced boys can do. Coach Meinhardt deserves a lot of credit for that fine record as well as the boys on the team. The squad was stripped of three players by mid-term promotions and injuries. The first string, which has been well supported by its substitutions, consists of high scoring Mel Saitz and Wayne Ortmann on the front line of the fast break. The stellar and more aggressive Ronny Allen and Milton Berty are the mainstays of the guard positions. The big boys who play in the center position, and are doing a fine job of it, are Chester Massot and Richard Perry. Coach Meinhardt is proud of his team's display of playing talent and aggressiveness and he looks forward to seeing these boys playing varsity basketball in the near future. The team's record is twelve victories and two defeats.

NORMANDY · GREEN DIVISION CHAMPIONS
SUBREGIONAL AND REGIONAL CHAMPIONS

Row 1: Richard English, Leroy Guittar, Bill Miller, Bob English.

Row 2: Richard Ortman, Ed McDonnell, Gordon VonDoersten, Bob Prokop, Don LaPlante.

Row 3: Vernon Grosse, Louis Miller, Jim Tietgens, Coach Jansen, Carl Schlesing, Rodney Mansker, Chester Jesionowski.

The Cleveland cagers, led by returned lettermen, Lefty and Rich English, Bill Miller, Ed McDonnell and Rich Ortman, started off the 1947 season with their traditional opener, Hancock. Starting their scoring early, they completely outclassed the highly favored county five. Rich English and Bill Miller led Cleveland to a 50-35 victory.

Taking things a little on the easy side, the Dutchmen encountered and defeated the highly spirited St. Peters squad 38-34. Rich English was high scorer.

Blewett was the first victim of the Orange and Blue in their fight for the Public High Crown. Hitting a high game total of 71 points, the Dutchmen easily downed the sharp-shooting Blewett squad 71-52. The Jansenmen were again led by Bill Miller and Rich English with 23 and 20 points, respectively.

Brentwood was met, battled, and defeated on the Cleveland floor 59-36. As the fans would say, just another game. Scoring was led by Rich English with 19 points.

The second Public High League victim was Soldan, who dropped out of the game early in the first quarter. The defense of the Cleveland five was very good, stopping the Tigers with but 16 points. The English twins led the scorers with 19 points for Rich and 18 points for Bob.

During the past six years since Coach Jansen has coached at Cleveland, he entered five teams in the Normandy Christmas Tournament. Five times these teams have reached the finals, being beaten twice, once by Springfield, which later went on to win the State Championship, and then last year by Roosevelt by the score of 42-41 in a game that everyone is still talking about. Winning this year was a big step toward State honors. The Dutchmen, in winning the Green honors, defeated Lutheran 43-25, McBride 45-32, Normandy 51-29, and Maplewood 45-39. Bob English led the Orange and Blue with 51 points, followed by his brother Rich with 39, Bill Miller 32, Eddie McDonnell 31, and Rich Ortman 21.

Basketball

Returning to school after a successful Christmas Tournament, the Dutchmen vanquished Wellston 55-21. Scoring honors were divided between the English twins with 14.

McKinley was third on the Dutchmen list of Public High victims. In beating the Goldbugs 61-28, Bill Miller scored 19 points followed by Rich English with 17.

Then, journeying to Normandy, the Dutchmen proceeded to beat the Vikings 56-30 for the second time this season. Bill Miller and Rich English led again with 15 and 13 points respectively.

On the Roosevelt court, Cleveland was victorious over Southwest by 17 points, 63-46, Rich and Bob English getting 20 points each.

Traveling to Maplewood, the Cleveland five defeated the Leafs 42-27 in a very fast game.

Hadley, a new member of the Public High League, fell before the Dutch 100-22, Cleveland's highest score of the season.

Roosevelt was another victim of the Dutch 52-35, in a game which was highlighted by its race-horse style of play.

The high-flying Dutchmen finally had their winning streak cut at seventeen games when they suffered their first setback at the hands of the Beaumont Blue Jackets by the score of 51 to 36. Cleveland's play was sparked by Ed McDonnell, sophomore center, who played a fine game. The Dutchmen gave Beaumont terrific competition, but couldn't overcome a Beaumont lead built up in the first quarter.

After a three-game slump, the Dutchmen jumped back to their old style, by defeating Central High School 77-32. Rich English made 22 points to take scoring honors for the game.

Cleveland then entered into the State Sub-Regional, and were placed in the tournament at Webster Groves High School. When our book went to press, Cleveland won the Subregional and Regional Tournaments. The final game with Beaumont gave us a victory with the score 40-39.

After getting off to a slow start, because the weather would not co-operate with us, the team had its first meet. This meet, the Maplewood Relays, was very important, and the competition was very hard, but our relay teams made a very good showing. This showing was due to the fine spirit and speed of veterans like Ray Kaufmann, John Simms, Fred Gebert, Glen Rigsby, Dan Goetz, Hal Weber, Floyd Kohler, Bill Ebert, Ernie Telthorst, Art Frenzel, Rick Savage, and the newcomers in the form of speedy Ray Beaudeau and Tom Beckmann. The team finished third, behind Beaumont and Maplewood. The team was assisted by the excellent coaching of Mr. Ballin and Mr. Singer and the managers, Jack Seamen, Lou Buchhold, and Norman Bender.

The next meet the team had was a relay meet with Blewett which the Dutchmen won. This was followed by another victory in a quadrangular meet in which Cleveland met Soldan, Hadley, and McKinley. Our first setback was with our traditional rival, Roosevelt, which we lost by two points.

Cleveland placed seventh out of 28 schools in the district finals, which were held May 9 at the stadium. And on Saturday, May 24, the Dutchmen placed 17 seniors and 9 juniors in various events, which made us second to Beaumont, in the preliminaries to Field Day. On May 29, Field Day, Cleveland placed fourth in the city, but we put up a strong fight, as there was only ten points between the first place team and our fourth place team.

Other members of our team were: Gilbert and Robert Lindquist, Gene Jabker, Paul Boeger, Dan LaPlante, Bob Stewart, Don Stevenson and George Young and Bob Zeller. During the season the team elected John Simms All-Team Captain, Ray Kaufmann, Senior Team Captain, and Bill Ebert, Junior Team Captain.

Tennis Team

Row 1: Bill Ebert, Bill Stromberg, Myron Grills, Bill Stuckenberg, Dan Sawers.
Row 2: Gordon Von Doersten, Jack B. Jost, Louis Keller, Homer Richter, Coach Scheuneman.
Row 3: Richard Schmidt.

With only one former letterman returning from last year, the outlook for the CHS tennis team wasn't too good, but the team turned in a good account of itself. When the call was issued by Coach Schueneman there were about twenty-four prospective players that turned out. The boys worked on the clay for several weeks before the Coach chose the ones that would represent Cleveland in the tournament. The team went into its first match in the following order: first, second, and third string singles were Jack Jost, Homer Richter, and Bill Stromberg, while Louis Keller and Bill Stuckenberg teamed up together for first doubles and Bill Ebert and Dan Sawers as second doubles. During the tournament various changes in the squad brought Myron Grills, Gordon Von Doersten, and Richard Schmidt into play.

The team of 1947 had a record of eight wins and twenty-six defeats for the season. There will be a number of the boys back for the next season and we are expecting a fine team for the 1948 tournament.

Letters were awarded to the following boys: Louis Keller, Dan Sawers, Bill Ebert, Jack Jost, Homer Richter, Bill Stromber, and Bill Stuckenberg.

LEAGUE CHAMPIONS — RELAY DISTRICT CHAMPIONS
STATE CHAMPIONS

Row 1: Bob Zeller, Eugene Habershtock, Charley Meystriek, Bernard Lake, Bob Elmiger.
Row 2: Rich Wiedemann, Ronald Hertel, Robert Feldmeier, Henry Benz, Paul Boeger, Charley Hoessle, Frank Kun, Al Ulsas.
Row 3: Coach Singer, Ralph Crain, Ernest Keathley, Ray Weis, Allan Wietlake, Bob Thone, Chetwood Buritsch, Bill Barhorst.

The 1947-48 season in swimming was piloted by Coach Singer through a very satisfactory season with many victories and few defeats. The returning swimmers from the previous season are Lake, Feldmeier, Zeller, Meystrik, Habershtock, Hertel, Hoessle, Kun, Buritsch, Thone, and the elected co-captains, Benz and Boeger. Added strength came to the team through new boys, who look very promising. The new boys are Weidemann, Horton, Goodal, Jones, Barhorst, Keathley, Weiss, Alberts and Bauer.

With their ability and drive these boys began the season December 10, with Soldan. They took the swimming meet by the score of 56-10. Then followed another victory 50-16 over Blewett, December 18. The next team on the schedule was Beaumont, on January 9. This thrill-packed meet was lost by the close score of 31½-34½. The team was not to be held down and came back in the next two meets with two victories. It defeated Hadley 50½-15½ and Central 39-27. And to keep them warmed up during the lapse between terms, the boys were out at Washington U. swimming for top honors in the Invitational Relays. They showed fine form in taking a second to Beaumont before a crowd of Cleveland supporters. In their next meet the Cleveland tankmen defeated the Rough Riders 36-30. This victory gave the Cleveland swimmers a three way tie for first place in the Public High League, tying with Roosevelt and Beaumont.

Cleveland brought to an end the Public High Swim League meets on Friday, February 13. The Cleveland tankmen defeated the McKinley High School swimmers in a rather easy swim meet, by the score of 45-21. By virtue of this win Cleveland finished the season still tied with Beaumont and Roosevelt High Schools for the Public High Swim Championship. On March 3 Cleveland won the play-off and the City League Championship.

The Cleveland tankmen won perhaps their most important swim meet, the District Invitational Relays. The meet was held at Wilson Pool on Saturday, February 21. Cleveland, District Champions, won easily with a score of 62 points. Their nearest rival, Beaumont, had only 34 points.

On February 28, Cleveland tankmen won the State Championship.

Baseball

Row 1: Don Burian, Bill Miller, Al Repple, Tony Arias, Bill Franz, Rich English, Leroy Guittar, Adolph Rubin, Richard Franke, Bob English.
 Row 2: Jack Austin, Alan Weber, Bill Niger, Vernon Grosse, Alan Machmer, Jack Gragg, Dave Bade, Norman Faveere, Rich Ortmann, Clarence Bauer, Chester Jesonowski.
 Row 3: Bob Franke, Louis Miller, George Neuman, Melvin Saitz, Charles Hohenstroder, Gene Franz, Roy Craig, Eddie MacDonald, Clyde Logsdan, Bill Claeys, Wayne Ortmann, Coach Jansen.

Coach Jansen's baseball nine fell below their usual high standard last season. The team won but five out of fourteen league games, and ended up tied for last place. The team was composed of veterans, and was expected to make a much better showing.

The team batting average was .259, which was about fourth highest in the league, but the team fielding average was far below par. Bob English was the best hitter on the team, having a .414 average, which was about seventh highest in the league. Rich Frankie was second highest on the team's swat parade with a lusty .354 average. Bob English also lead the pitchers with a 3-3 .500 average.

The infield of the team was composed of Rich Franke, first base; Abe Rubin, second base; Lee Guittar, short stop, and Tony Arias, third base. Alternates were: Gil Tribble, Clarence Bauer, and Norm Faveere. The outfield was patrolled by: Bill Miller, center field, Buddy Nehring, left field, and Bob English and Bill Franz alternating in right field. The catching was ably taken care of by Al Repple and Rich English. The pitching, which was the most disappointing performance on the team, was taken care of by Bob English, Rich Ortmann, and Bill Franz.

Next year these men will try and nail the pennant to the Cleveland masthead: Rich and Bob English, Lee Guittar, Bill Miller, Rich Ortmann, and Bill Franz.

The students and the players thank Coach Jansen for the patience and time he gave to the team. We hope we'll bring a winner next year.

Cross Country

Row 1: George Miller, Carl Yeckel, Otto Hagemann, Jr., Bob Rohlfsing.

Row 2: Ken Mock, Ralph Suess, Richard Getz, Jack Lee, Robert Lindquist, Mr. Ballin.

On Sept. 15, 1947, twelve ambitious Cleveland boys could be seen running two long miles around the Cleveland track. As the time for the State Long Distance Track meet approached, the number of the boys on the Cross Country team diminished to nine.

On Nov. 7, 1947, the team went out to Washington University, where the meet was to be held. Approximately seventy-seven boys of the many State High Schools participated.

The boys running for Cleveland were Captain Bob Lindquist, Cal Yeckel, Bob Rohlfsing, Jack Lee, George Miller, Otto Hagemann, Jr., and Ralph Suess. Due to the seven man limit, Richard Getz and Ken Mack were not able to run. This race was run over a football field, baseball diamond, and some very rough country. This was the third annual running of the State Cross Country Track meet. Due to the additional length of the course, many of the seventy-seven boys could not keep the pace and therefore had to drop out.

Any boy who placed within the first fifteen for Cleveland would receive a letter. Two of the boys were good enough to do this. They were Bob Lindquist, who placed seventh, and Cal Yeckel, who placed twelfth.

Cleveland placed sixth out of the eleven schools which participated.

Mr. Ballin is the coach of Cross Country.

Gym Team

Row 1: Bill Anderson, Don Wolff, Bernard Heitman, William White, Bill Steinkamp, Don Dewey.
 Row 2: Rich Dahlgren, Albert Vick, Dale Mullaney, Ed Seims, Jack Stokely, Frank Feigl, Jack Wolstaeder, Ken Maag, Joe Stokely, Leonard Kraemer.
 Row 3: Phil Hasser, Ed Hartmann, Kenneth Ferkel, Rich Walters, Milt Wensel, Rich Driska, Joe Rogers, Lawrence Wilms, Coach Singer.

If you will refer to your copies of former Beacons, you will find that the Gym Team is an organization of long standing at Cleveland. It was formerly called the Gym Club.

In the fall of 1946, five schools went before the Public High School League Board and asked that gymnastics be recognized as a league activity. Cleveland was entered in the league meet in March of 1947 and placed fifth out of eight schools participating. Four boys, who received letters on this team, were William Hample, Captain, Jack Stokely, Frank Feigl and Robert Bishop. Bob was a Senior tumbling champion for the year.

The captain of this year's team was Frank Feigl, who will be our only letterman of last year to compete this year. Jack Stokely, our Captain of last year, graduated in January and will, therefore, not be able to complete. His help and leadership will be a great loss.

The Gym Team offers a fine opportunity for any boy at Cleveland High School to earn an Athletic "C," and at the same time develop himself physically, "Mens Sana En Corpore Sano."

G. A. A. Activities

Every afternoon after school, hundreds of enthusiastic, fun-loving, sports-minded girls participate in after-school sports. They are keeping in good physical health, and also are working toward the three awards which are given by the Girls Athletic Association; the small "C" pin; the orange and blue felt letter; and the highest award, the statuette. These awards are obtained through a point system, with five points being given for each attendance at a sport. Seven hundred and fifty points are needed to get a pin; twelve hundred points to get a letter; and eighteen hundred points to get the statuette.

The Girls' Athletic Association was organized by Miss Gunther and Miss Harrison in 1927. It was organized to interest girls in athletics. The G.A.A. Council planning committee is made up of a representative from each Physical Education class, and each sport, and it meets about three times a term. These representatives meet, elect their officers, and organize the after-school sports for the season.

The activities of the G.A.A. are divided into three seasons: Fall, Winter, and Spring sports. Fall sports include volleyball, soccer, badminton, and hiking. In the Winter sports, beginning and advanced basketball, bowling, and roller skating are offered. Spring sports are, beginning and advanced tennis, softball, horseshoes, and volleyball. Swimming is offered the year round and may also be taken during the school day or during a study period.

A day much awaited for, which comes in late Spring, is Play Day. This is the day all the athletic girls in Cleveland High School show their talents and skills, competing against each other for honors in track and field events, volleyball and softball. Relay races between the different terms furnish an exciting ending to the day.

A new Winter sport, having its first trial at Cleveland, is League Bowling. This League bowls three games a week, and meets twenty weeks. The girls work as teams of five and compete against each other for high score.

All these after-school activities would not be possible, if it were not for our three wonderful sponsors, Miss Gunther, Miss Hehrlein, and Miss Ulbricht. These Physical Education teachers give their time and effort to guide us in our sports.
